

NON-RESIDENT STUDENT TRANSFER AREA

The East Marshall Community School District currently provides a transfer area where non-resident students may board and depart East Marshall buses for transfer to the appropriate education center. The District will provide a Transfer Area Monitor to supervise the operation of the transfer area each school day morning and afternoon. The Transfer Area Monitor will have authority to enforce administrative regulations regarding the conduct of students and those responsible for delivering the students to the transfer area. The Superintendent will have the responsibility to develop administrative regulations regarding the use of the transfer area by those utilizing school district transportation.
