

EM Elementary Week at a Glance

April 1st - April 5th

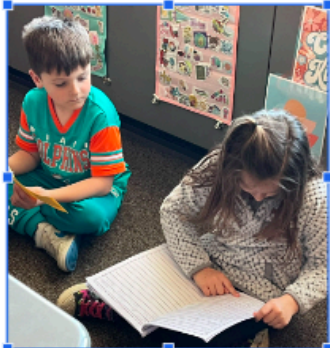

The East Marshall Community School District instills a passion for learning to INSPIRE and to PREPARE students to ACHIEVE.

Family Night at the Elementary

We had a great turn out for our Family Night. Our families enjoyed a pancake meal from Chris Cakes. They had a lot of fun together playing different math and reading games. The families also enjoyed challenging each other with different STEM Minute To Win it activities. The kids got to show off their artwork with our Art display. We captured our families with our photo booth. The kids did a scavenger hunt around the building and took home a free book, poster and game supplies.

Miss Storjohann's 2nd Grade students enjoyed sharing their Fairy Tales with Mrs. Wehrman's Kindergarten class.
