Operating Agreement for Drive Right, L.L.C.

It is the intent of Drive Right, LLC and affiliates of the company to provide instruction and experience to students of all ages in driver education. Instructors of Drive Right, LLC are certified teachers in the state of Iowa. The format of the school may vary depending on the time of year, (summer or during the school year) however, instructional content will be the same.

Iowa State requirements will be met or exceeded:

1. Length of the class may not exceed 180 minutes.
2. Number of classroom hours will be a minimum of 30 hours.
3. Students will receive 240 minutes of substance abuse education.
4. Students will receive a minimum of 20 minutes of railroad crossing safety.
5. Students will be provided instruction relating to organ donation under the Uniform Anatomical Gift Act.
6. Two or more students will be scheduled for all behind the wheel instruction.
7. 30 minutes per session, 60 minutes per day is the maximum a student may drive in one day.
8. The minimum number of times a student will drive in a dual control automobile during the entire course without simulation or range is 12.
9. A maximum of 360 minutes of range instruction may be substituted for behind the wheel instruction.
10. All driver education instructors, with the exception of behind the wheel instructors, must hold a valid Iowa teaching license and the Driver Education endorsement.

Drive Right, LLC is a private school. Students should enroll in this educational program putting forth their **best effort** at all times with a **positive attitude to learn**. It is our intent that all students will complete the course at program's end. However, students with excessive absences, tardies, deficient driving abilities or disruptive behavior as judged by the instructor, will be dismissed from the program or be required to obtain more driving experience before being issued a certificate of completion. Driving a motor vehicle is a great responsibility and a privilege. Any student who is unsuccessful in their performance behind the wheel or in the classroom will not pass this program. Only students who demonstrate safe and sensible operational methods and are ready for the responsibility of driving will be awarded a certificate.

Upon successful completion of the course, students will be awarded a certificate of completion, which will allow them eligibility for a school permit and the intermediate driver's license under the Graduated License System of the state of Iowa. All other Graduated License requirements must be met. (See graduated License information from the Department of Transportation).

** Drive Right, LLC is not responsible for any actions of students.*
